

Questions

to ask your child's doctor

Print and share these questions with your child's doctor. Feel free to add any of your own questions to the list below:

- ❖ **What are my child's asthma treatment goals?**
- ❖ **Is my child using a rescue inhaler too often?**
- ❖ **Can a daily controller medicine help prevent my child's asthma symptoms?**
- ❖ **How often should we review my child's Asthma Action Plan together?**
- ❖ **Additional questions:**
